

Bethany Community

OF SAINTS MARY, MARTHA AND LAZARUS

The Bethany Community is an intentional, contemplative community for spiritual growth and support. Saints Mary, Martha, and Lazarus were friends of Jesus who lived in Bethany, where he often rested in their company and enjoyed domestic hospitality. (John 12.)

As an intentional community, we—like the friends in Bethany—share a desire for companions who encourage spiritual transformation. The Bethany Community regularly studies and prays together, rooting deeply in ten spiritual practices/principles.
